

*"I don't know when I've ever come across such a genuine group of people who have experienced way more than their fair share of heartbreak, tragedy and outright nightmares—and then have turned around and devoted their time and energy to helping others see the light through the darkness. But here they are. Right between the pages of this amazing book."*

— Karen J. Allen, Professional Web and Marketing Developer

*"I was anticipating this book to be amazing but was wrong. I am blown away. These authors need to be commended for their courage to be so open and honest and allowing us to see into their very personal world. I highly recommend this incredible book to anyone looking for inspiration."*

— Johnny Athas, Actor and Model, NYC and Long Island Areas

With *The Faces Behind the Pages That Inspire*, Lori Rekowski continues the journey that she began in her powerful first book, *A Victim No More*. This time, however, she brings along some friends.

Following her personal journey to wholeness and self-love, Rekowski discovered Facebook and became curious about the people who selflessly post inspiration and support for total strangers, day after day. She was so impressed by this generosity that she embarked upon a mission to find the people behind the Fan Pages. *The Faces Behind the Pages That Inspire* is your backstage pass as she pulls back the curtain to reveal to you the incredible journey each author has taken.

Rekowski says, "For years, I've done my best to listen, pray, meditate and ask for guidance that would allow me to do work that would help me to heal others in a way that is in the highest good for the concern of all others. In the process of practicing this, I am always blessed. This project has been no exception."

If you've ever wondered about the people behind the images and messages that touch and inspire us every day, this book is for you. You will laugh. You will cry. Your hearts will break when you read about what they have endured and your spirits will soar as you walk with them on their journey of healing.
