

## Invitation to a Séance?

**Almost! Can you think of a better way to get in touch with Steve Jobs? We couldn't either and we have a problem that could really use his brand of magic.**

**You see, we are always getting feedback from our customers that they would have ordered lots sooner if they'd only known how much they would love their Cecilia Cove jewelry! We think we have a pretty great website but there's something about being able to touch and try on that is definitely missing in the online world.**

**Steve Jobs was a genius and if he could have stayed a little longer, who knows? He just might have figured out a way to reach inside your computer screen. Which is why we briefly considered a séance. But, we soon discarded that idea and decided to replace the candles, creepy music and Ouija board with wine, hors d'oeuvres and *lots of awesome jewelry to try on.***

**In other words, we're having a party and you are invited!**

**And don't worry --- this may be a house party but instead of you bringing a gift, we will have gifts for everyone! Plus, a whopping 20% discount for everything you fall in love with!**

**The date is November 1 and the location is 1418 Wexford Sound Drive on James Island.  
The time is 6:30 to 8:30 p.m. The dress is come-as-you-are casual. And the only requirement is to come to have fun! For more information, contact [jewelry@ceciliacove.com](mailto:jewelry@ceciliacove.com)**
